

New Group CEO and CEO - Christian Berner Tech Trade AB

Gothenburg 18-06-2010

Bo Söderqvist has been appointed as Group CEO of Christian Berner Tech Trade AB and CEO of Christian Berner AB. Bo Söderqvist, 46, has been about 20 years with the BE Group, a commercial and service-company within steel and metals. His most recent position was as CEO of BE Group Sverige AB.

Håkan Simonsen, Chairman of the Board, Christian Berner Tech Trade AB said, " We are very pleased with the recruitment of Bo. He has a broad experience of management, development of organizations and experience from commerce. Bo has the right profile to run the group into the next phase, where focus is of profitable growth"

Christian Berner Tech Trade, owned by Christian Berner Invest AB, is one of the largest Nordic groups in tech trading. The group is represented in Sweden, Norway, Denmark and Finland and delivers advanced technical equipment, components and material as well as offering consultation, system development, installation and service. Customers are industrial companies and the public sector. The group has about 100 employees and in 2009 the total sales volume was MSEK 430, with an increasing demand this year.

Bo Söderqvist said, "I am looking forward to continue the development of this traditional tech trading company in collaboration with customers, suppliers and employees. Christian Berner Tech Trade has a good base on which we can build continued growth in the Nordic market".

Bo Söderqvist will take up his new duties on August 2.
